Dear Parent(s)/Guardian(s),

One of my primary goals this year is to help parents and students get connected and stay connected. My use of social media will offer a way to celebrate the learning in our classroom, provide information about upcoming events, reflect on lessons taught in class, and provide an extension to the standard classroom-learning environment.

You may be able to post comments through social media on a daily basis. All written comments are to be respectful towards others. Permission is required to display photos or work of a student. Teachers and students will withhold personal information including full names, addresses and email addresses.

Social Media may include, but is not limited to: Blogs, Wikis, Facebook, Twitter, See Saw

The social media site(s) I am planning to use are:

Blog  Wiki  Facebook  Twitter
