

Peace be With All from St. Augustine School Wilcox, SK

The halls of St. Augustine School are buzzing and the staff and students couldn't be happier to be back in the building with their friends and school community.

September flew by with the breeze but it sure was a memorable one. A highlight was introducing the Holy Family School Division's theme of "Live Mercy...Be Holy" at our first assembly. Our first Friday Mass with Father Parker on September 11th, challenged our students with how we can live mercifully in our day-to-day words and actions. Our school focuses on a monthly virtue and this month was kindness; what does it look like, feel like and sound like when we are in our school as well as within the community. The kindness the students have shown one another through their encouragement, friendly actions and compassionate approach to tricky situations, especially while we are focusing on keeping our students safe and healthy, is quite commendable.

We welcomed a few new families into our school this year and it already seems like they have been with us for years. This is a sign that the St. Augustine Staff and Students are exemplifying what it means to be disciples of Christ, leading a path of light and love for one another.

Not only are we going to "think outside the box" this year as our theme of 'Live Mercy...Be Holy' develops, but we will do it in a safe and meaningful way.

(St. Augustine students demonstrate the Covid-safe sign of peace.)
